## **THE ABS MISSION**

Our mission is to assist and encourage informed decision-making, research and discussion within governments and the community by providing a high-quality, user-oriented and dynamic statistical service; we will actively coordinate statistical activities across government agencies and promote the use of statistical standards.

## **SERVICES AVAILABLE FROM THE ABS**

We can provide you with information, advice and a range of statistical products that will help you make the right decisions – whether you need the information for planning, performance measurement, investment decisions, research or keeping up with trends.

## **SUBSCRIPTIONS AND BOOKSHOPS**

We have around 400 publications available on a subscription basis, and our Bookshops can meet your needs for one-off purchases either by mail order or across the counter. If you would like to receive any of our publications on a regular basis, you can become a subscriber and have your publications mailed to you on the day of release. Catalogues of our publications and other products are available on request from our Bookshops. See the back cover for contact details.

## **INFORMATION CONSULTANCY**

The Information Consultancy Service provides a customised statistical service for clients requiring individually tailored solutions to their information needs.

Consultants have access to the full range of statistical information available within the ABS, including detailed information which is not included in our regular publications. From this wide resource our consultants can create a personalised solution by bringing together selected information relevant to the client's specific requirement.

## **ELECTRONIC SERVICES**

A growing range of our data is available on electronic media. Our PC-Ausstats service provides you with the capability of on-line access to an ABS database containing many thousands of up-to-date time series of socio-economic data. We also have a range of summary information available on DISCOVERY 40 (Key#656). In addition we can supply information on floppy disk or magnetic tape/cartridge.

# INTRODUCTION

## General Information

This listing shows ABS printed publications to be released in 1994 grouped under subject headings such as Demography, National Accounts, Finance, Agriculture, and Building and Construction. On page 1 is a list of Main Economic Indicator publications which, together with *Year Books*, *Australian Economic Indicators* and *Statistics Weekly*, represent ABS best sellers.

This listing has been developed primarily to enable clients to select printed publications to which they may wish to subscribe in 1994. By subscribing, clients ensure regular and prompt delivery of ABS publications throughout the year.

ABS publications for which no issues are to be released in 1994 are not shown in this listing; however, information on previously released publications is available from ABS offices as listed on the back cover of this publication and from the comprehensive ABS *Catalogue of Publications and Products*.

## A Note on Prices

The prices shown are for an annual subscription for 1994.

If a subscription is taken out, prices are set for the period of the subscription. Prices of ad hoc purchases, however, are subject to change during the year.

Subscription prices include postage both within Australia and overseas (economy air).

### 1219.0 *Australian Health Classifications*

Provides details of all the health-related classifications used by the ABS in the presentation of health statistics. This will aid the presentation and analysis of these statistics. It is also a guide to other agencies compiling statistics on health-related topics on the classifications to be used.

### 1293.0 *Australian and New Zealand Standard Industrial Classification (ANZSIC) — Alphabetical Coding Index*

Contains a comprehensive alphabetic list of economic activities, showing for each activity the ANZSIC class to which it is primary.

### 1351.0 *Working Papers in Econometrics and Applied Statistics*

The series contains working papers drawn from ABS research in the fields of Econometrics, Time Series and Statistics. The series is intended to make the results of current research within the ABS available to other interested parties. The aim is to present accounts of ABS developments, research work and analysis of an experimental nature so as to encourage discussion and comment. Each working paper in the series is of a technical nature and contains the results of one research topic, the series of papers containing a diverse range of ABS work.

#### *4389.0 Health of Older Australians*

Contains national statistics about the health status of the aged, their use of health services, health related aspects of their lifestyle, chronic illness and cause of death.

#### *4510.0 National Uniform Crime Statistics*

Contains uniform national crime statistics relating to a selected range of offences that have become known to and recorded by police. National crime statistics are compiled on a victim basis and measure the number of victims for each offence category rather than the breaches of criminal law. This first publication provides a breakdown of the offence category by month reported. Type of location and use of weapon data are also provided. As the national collection progressively expands, future publications will provide additional details on reported offences.

### FOREIGN TRADE SPECIAL RETURNS SUBSCRIPTION SERVICE

Foreign Trade Special Returns are the first form of foreign trade statistics released each month. They provide detailed commodity-specific information for imports, exports and import clearances approximately six weeks after the month to which they relate.

Subscribers to the Foreign Trade Special Returns Service are able to specify the commodities, level of detail and format they require. The information can be supplied on paper or delivered electronically via TELESTATS using Telecom's Keylink.

For more information on the Foreign Trade Special Returns Service please contact the Foreign Trade Data Dissemination Manager on (06) 252 5400.

### FOREIGN TRADE TAILORED SERVICE

This service provides the most detailed trade statistics on magnetic tape, cartridge and floppy disk for imports, import clearances, exports, shipping and air cargo commodity statistics. The provision of data on magnetic tape, cartridge or disk allows very detailed information to be made available in a form which is flexible in terms of data analysis and presentation. The data are particularly useful to users wishing to analyse large volumes of information.
